Stonehage Fleming Advisory (IOM) Limited (SFAL) has an internal complaints procedure, a summary of which is available on request.

The SRA can help you if you are concerned about the behaviour of a SFAL Solicitor. If you are concerned about issues such as dishonesty, taking or losing your money or treating you unfairly because of your age, a disability or other characteristic, you can raise your concerns with the SRA. Contact email: report@sra.org.uk

The SRA and the Legal Ombudsman may help you if you have a concern about the service provided by a SFAL Solicitor and /or their professional conduct. Please note that the Legal Ombudsman will not take complaints in respect of non-regulated organisations such as SFAL. The Legal Ombudsman will look at your complaint independently and it will not affect how the SRA handles your complaint. You can write to the Legal Ombudsman at PO Box 6167, Slough, SL1 0EH or email at enquires@legalombudsman.org.uk or telephone on 0300 555 0333.

Before accepting a complaint for investigation, the Legal Ombudsman will check that you have tried to resolve your complaint with SFAL and the SRA first. If you decide that you wish to take your complaint to the Legal Ombudsman, you must yourself take your complaint to them:

- After you have first used SFAL's internal complaints procedure and in any event within 8 weeks of making a complaint if it has not been resolved to your satisfaction.
- Within six months of receiving a final response to your complaint from the SRA; and
- No more than six years from the date of act/omission about which you are complaining; or
- No more than three years from when you should reasonably have known there was cause for complaint.

If you have a complaint in respect of a SFAL Solicitor or Manx Advocate, you may make the complaint in writing to the Advocates' Disciplinary Tribunal, Tribunals Office, Isle of Man Courts of Justice, Deemster's Walk, Bucks Road, Douglas, Isle of Man, IM1 3AR Before doing so, you should first have exhausted SFAL's internal complaints procedure.
